INSTRUMENTATIONS & CONTROLS

Rawabi Oil & Gas (ROG), formerly Rawabi Trading & Contracting, is a fully owned subsidiary of Rawabi Holding founded in 1980 with the vision of making practical supply and service a reality in the Oil & Gas industry. Today, ROG is the top agent and distributor for a vast portfolio of prominent, internationally recognized manufacturers; as well as Joint-Venture-based Oil & Gas and Petrochemicals services and technology providers.

ROG's trading line of business includes supply of upstream and downstream chemical, mechanical and electrical products; test, measurement, and control instruments; as well as a diverse portfolio of production, transportation, and process equipment and materials.

As a contractor, ROG has established Joint Ventures with world renowned service providers, for carrying out activities and full operations in:

- Mud Engineering Services
- Offshore Oil & Gas Drilling
- Running Tubular and Casing Services
- Mud Logging Services
- Coring Services
- Wellbore Cleaning Services
- Water Treatment and Well Testing Services
- Submarine Cable Supply
- Environmental Services
- Drilling Equipment and Tools Rentals
- Loss Control Management Systems
- Gas Detection Services & Risk Management Services
