RAWABI VALLIANZ OFFSHORE SERVICES

RH-CKF-RVOS-JAN2020

Rawabi Vallianz Offshore Services (RVOS) is an equally shared joint venture company between Rawabi Holding and Vallianz Holdings Limited of Singapore. Rawabi Holding has built a solid network of business relationships and expertise in oilfield services and Contracting and Industrial Services in the GCC region, particularly Saudi Arabia, over the last three decades; while Vallianz has a proven track record as a provider of a full range of Offshore Engineering, Procurement, Installation and Construction (EPIC), Marine and Subsea Support Services to the offshore oil and gas industry. Thus, RVOS is able to effectively harness individual strengths to provide synergistic and seamless services to the industry.

RVOS offers the following services:

- Offshore Construction Division provides a full suite of services encompassing Engineering, Procurement, Construction, Installation and Commissioning (EPCIC) to the regional oil and gas industry
- Marine Services Division offers a variety of services: Ship Repair, Charter of Anchor Handling Tugs, Supply/Crew Vessels, Cargo Barges, etc
- Subsea Division offers Diving Services and Remotely Operated Vehicles (ROV) Survey/ Inspection Services
- Offshore Floating Storage Vessels

The company is committed to provide value-added services to clients by focusing on safety, quality, on-time delivery and superior customer support and thereby establishing successful long term partnerships that go beyond the completion of projects.

RVOS is determined to become the leading Offshore Services provider in the region.

About Vallianz Holdings Limited

Vallianz Holdings Limited is a world class integrated construction and support services provider to the offshore oil and gas industry, offering a wide range of offshore EPIC, marine support, subsea dive support and engineering services across the Asia Pacific, Middle East and Latin America regions. Since its foundation in 1996, Vallianz has been dedicated to building the company into a leader in the offshore oil and gas industry. Today, Vallianz is a public-listed company on the Singapore Stock Exchange with an eminent position among global offshore oil and gas engineering and construction organisations, making its name synonymous with excellence, safety, innovation and value among its customers. Vallianz currently has the largest fleet of offshore construction and support vessels in shallow waters in the world, with a growing number of skilled, well-experienced employees in strategically located offices worldwide.

Vallianz was featured on Forbes Asia's "Best under a Billion" list, an honor given to the top 200 Asia-Pacific companies with consistent growth in both sales and profits. Vallianz continues to ascend the ranks of the nation's "Top 100 Brands" in the Brand Finance's Annual Report of "Singapore's Intangible Assets and Brands". Vallianz has also emerged a winner in Securities Investors' Association of Singapore's (SIAS) Corporate Governance Award. All these reaffirm Vallianz's rapid growth as an EPIC player that is well-positioned to capitalise on the upswings of the offshore oil and gas sphere.
